City: Chapel Hill  
State: NC  
Zip: 27517  
Country: USA  
Privacy Preference: Don't withhold name or address from public record

**Comment Submitted:**

Being a native of Utah, I feel it is important to point out the dramatic scenery in all directions from places like Island in the Sky in Canyonlands National Park and many places in Arches National Park (including Delicate Arch). As a financial contributor to the National Park system and a US taxpayer I feel the use of objects impeding the wonderful views of the skyline at dusk and other times would degrade the experience these National Parks provide.
