[2]Corridors of concern were identified by the plaintiffs in a lawsuit following designation of the Section 368 energy corridors, and the nature of the concern is briefly stated in a settlement reached by the participants. See http://corridoreis.anl.gov/news/index.cfm#settlement for more information.
[3]Locally designated corridors were designated in either BLM or USFS land management plans prior to also being designated as Section 368 energy corridors.
