Energy Corridor Programmatic EIS Scoping Comment: 80103

First Name: Tim

Last Name: Gregori

Organization: Southern Montana Electric G&T Cooperative

Address: 3521 Gabel Road

City: Billings

State: MT

Zip: 59102

Country: USA

Privacy Preference: Don't withhold name or address from public record

Comment Submitted:

Southern Montana is a generation and transmission cooperative serving electric cooperative customers in central and southern Montana. We will benefit from establishment of energy corridors as our transmission system expands. We wish to specifically list the following segment / route for inclusion as an established corridor:

- The existing transmission line and pipeline corridor generally extending from Great Falls Montana to Billings Montana; this route extends from Rainbow Dam to Great Falls to Judith Gap to Broadview to Billings.
